

Dobré ráno!

I can't tell you how special it was to be a part of that morning visit to Přírodní škola. The beautiful welcome I received when I arrived, the welcome song, additional information about Petr Ginz that I had not known, the 2nd piece performed, everything! I had tears in my eyes many times. I will never forget that special morning.

I know your amazing students are on their way to great things and places in life. I could feel it. Please tell them I think of them often and will never forget them. I hope they will all stay in touch and let us know how they are doing. Please. I miss you all!

Sending our love and best wishes from ISS, Houston, and Montreal.

S láskou,

Indira (Houston), Drew (ISS), Ari (Houston for a few weeks then back to Montreal), Aden (Montreal)
